

AAT FI - Authorised Vehicles on Site

ATTENTION: ALL CLIENTS

Please be advised as at **16th February 2009** only Authorised Motor Vehicles will be permitted on site.

Shipping Agents and other Visitors will be required to park in the AAT Car Park and report to Security where they will be Escorted to their respective points by Site Security.

All vehicles granted access by AAT Management must have an external flashing light (not hazard lights) secured to the Vehicle prior to entering the Site. AAT will not be responsible for supplying the External Flashing Light.

We apologise for any inconvenience, however, this is a Safety Issue that needs to be addressed.

Darren Parsons
National Operations Manager
