FICT Terminal Announcement

After hours Duty Officer

In times of congestion and “hot berthing” it is critical that AAT is aware of any changes to a vessels arrival time at the pilot or a request to berth ahead of schedule at the Terminal.

Similarly, any change to a departure time or the operational performance of an organisation within the facility that may affect another vessels arrival, berthing and efficient working needs to be communicated to AAT.

Under the above circumstances, the preferred method of communication outside normal working hours (Monday to Friday 0700-1700) is verbal, via mobile telephone.

During normal working hours, AAT’s Shipline Superintendent Loretta Penman is the first point of contact. Outside normal working hours AAT will nominate a Duty Officer.

The Duty Officer’s mobile number is - 0423 293 125

If you cannot contact the Duty Officer the following staff members are available to take your call:

- Shipline Superintendent: Loretta Penman 0434 603 007
- Landside Superintendent: Steve Jorgensen 0432 004 961
- FICT Security: 07 3909 3015

Scheduled berthing details for the Terminal can be viewed at AAT’s Website www.aat.auz.biz . Follow the prompts under the heading “Documents” to view the Terminals schedule.

If you have any questions please feel free to contact the undersigned.
