FICT Terminal Announcement

Changing of BoL's details once in the FICT facility

As you all are aware representatives of transport companies collecting cargo at the FICT facility must present the BoL at the R&D office for verification that they have authority to collect nominated cargo.

If for some reason the BoL is to be changed to another BoL while in the facility the transport company representative **must** present proof that they have the authority to collect the new BoL nominated to the AAT representative.

Failure to present proof will result in cargo not being released to the transport company representative.

Individuals who try to use inappropriate information relating to cargo to an AAT representative will be handed to the police and banned indefinitely from the FICT facility.

It would be appreciated if you could pass this information onto staff in your organisation.

If you have any questions please feel free to contact the undersigned.

Regards,

Robert Kneebone

AAT FICT Terminal Manager
